

Change to MO3 Agent Reporting Requirements

A change was made to 11-110-201(1)(b), C.R.S., during the 2023 Colorado Sunset Review and approved by the Colorado legislature in 2024. Previously, Colorado licensees were required to submit their MO3 C Agent Report to the Division annually. This change allows Colorado to accept your agent reports submitted in NMLS; therefore, we no longer need a separate submission.
